BEER CONES!

VB-flavoured ice cream not for the kiddies

Zanette's Gelati/Facebook

FROZEN FROTHIES!

A GOLD Coast ice cream parlour has solved the problem of what to do on a hot day when the kids want a cone and you're fanging' for a delicious beer.

Zanette's Gelati is now the one-stop shop for the whole family since proprietor Frank Bailey has invented VB Gelato, a taste sensation combining Oz's favourite amber fluid with the zing of beaut Italian ice cream.

Naturally, it's been a huge hit. Well, why wouldn't be? Who wouldn't love THAT?

Frank says the reasons for its popularity is simple. "Anything with alcohol in it is good isn't it!"

Ya got us there, Frank. Beautly, unlike other recipes featuring beer, the booze hasn't been cooked out of it, so you have to be over 18 to buy it.

And don't try and drive home after eating a tub full, or you might get picked up by the Queensland cops' RANDOM ICE CREAM TESTING UNIT. ■ Picture

Cara WANTS YOU!

Pommy hottie seeks Aussie studmuffin

SURE, we've given the Poms some stick over the years, but that doesn't mean we don't love 'em. Well, the big-titted, spunky, sheila ones, anyway.

So it's really nice that Pommy model Cara Brett – who definitely qualifies – LOVES US BACK.

We were having a casual email yack to the enormo-boobed London-based hornbag the other day when she admitted she was keen for a fling with an Aussie.

Which means that as long your citizenship papers are in order, you're in with a chance.

It all started with an innocent question...

Are you single at the moment, Cara?

"Yeah, and I'm on the lookout for some big hunk to have some fun with."

POMGOLIAN POM-POMS!

Cara WANTS YOU!

New Tits On the block

Yikes! We may be able to help you there. Have you ever hooked up with an Aussie?

"I can't say I have, but I'm up for some fun down under after being in THE PICTURE. I hope to bag one or two Aussie blokes!"

OK, we'll start taking applications on your behalf. How does it feel to be nekkid in Australia's finest nork-lovers' periodical?

"Great! I love the fact that men from the other side of the world are ogling my curves."

Oh, don't wory, they be ogling. What's your idea of a good night out, just so the readers know how you roll?

"Drink, drink and more drink, dancing, and hopefully pull a bloke before closing time."

That sounds perfectly reasonable. How do you like your sexing done?

"Only one position for me, and that's doggy. I like to feel a man balls deep."

What's the best way to pick you up?

"Buy me a drink and show me a good time. And if you like Guns 'n' Roses that's gunna GUARANTEE you being balls deep."

Welcome to the jungle, baby! Picture

FOOL'S GOLD!

THREE blokes who "found" a gold nugget weighing about a kilo have been found guilty of stealing it from a working mine near Kunanalling, WA. They reckoned they were on a picnic and just happened to have a metal detector with them so they thought they have a bit of a fossick. They came up with the monster nugget, but their big mistake was trying to sell it on Facebook. They were busted and fined $5000 each.

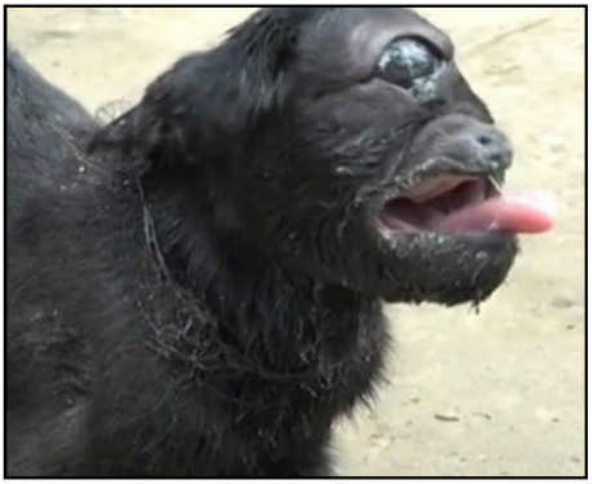
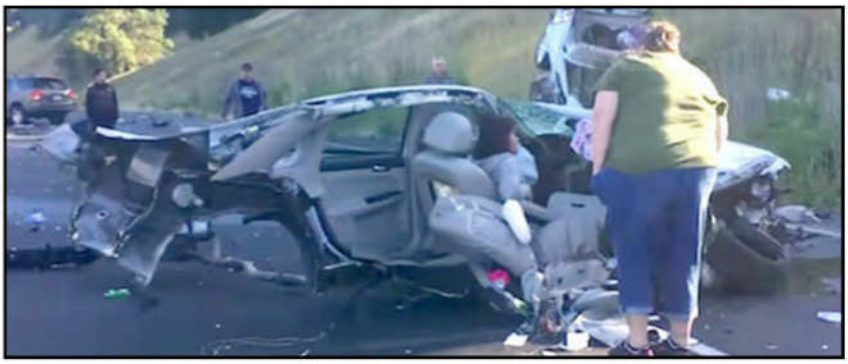
YOU'RE KIDDING!

A ONE-eyed goat born in Assam, in north-eastern India, is being worshipped as a god by the locals. They are flocking to the tiny village where it was born to chuck money and gifts at it. "It's like a miracle," said the MONOCULAR MONSTER'S owner, Mukhuri Das. "People have been coming from everywhere to see this baby goat. It might be something from God that was born in our house."



SAVE OUR PUSSIES

THERE is someone in Waynesboro, Virginia, USA, who can't stand an UNSHAVEN PUSSY. Cops in Waynesboro are investigating a rash – possibly a SHAVING RASH – of incidents where innocent puddy tats have been kidnapped off the streets, partially shaved and then released. Police Captain Kelly Walker said he wasn't exactly sure what crime had been committed, but that cat owners were freaking out and his officers were ON THE CASE. Just follow the trail of shaving cream, blokes!



#1 SMASH HIT

DON'T worry - it all worked out nice for everyone in this 120kph horror head-on smash on Highway 101 near Cloverdale, about 150kays north of San Francisco. Yep, both drivers walked away – Ok, were CARRIED away – from the scene with nothing more than a few bruises and a bad case of the heebie-jeebies. One car was sliced in two down the middle leaving the driver sitting in what looked like a motorcycle with a canopy, with the other half thrown up on the embankment. Phew, eh!

COME SPINN

Half-pint cuties to rock

THERE'S a helluva lot to be said in favour of the more petite chicky-babes.

They take up a lot less room in bed, for a start. They eat less, and if you're flying anywhere together thay can often be concealed in your CARRY-ON LUGGAGE.

And here's the clincher – they make your dick look ENORMOUS!

These facts haven't been lost on the producers of grumble flicks, and in recent years there's been a boom in the number of short-arse shaggers starring in porn.

The only downside is that they're often barred from certain rides at theme parks, but that's a SMALL price to pay, eh readers? ■ Picture

Jynx Maze is one cheeky girl

THIS 26-year-old stunna only weighs 53kgs, but roughly half of that has gone straight to her arse – and WE'RE NOT COMPLAINING.

The highly fuckable porn star's arse makes so much money that it should probably do its own tax return. In fact, it's probably been in more films than Brad fucken Pitt.

"I never planned on being this popular when I started doing porn," admitted Jynx. "I'm just fortunate for the work I get. I enjoy sex and I'm very open-minded."

How did you get hooked on bum sex?

"I got used to it with a toy because my ex-boyfriend wanted to try it out. Once I got used to it with the toy, I tried it with him and it started feeling really good. Now I usually enjoy anal more than vaginal sex if the guy knows what he's doing."

You must have job satisfaction.

"Exactly. I'm not sitting at a desk. Well, maybe I am when I am dressed up as an executive..."

What sorts of blokes do you usually go for?

"I like the wild side of sex. I like bad boys as long as they are respectful towards me. I have no tolerance for jerks. I want a guy who does different things to show me that he loves me

WHAT AN A-MAZE-ING ARSE!

"I like the wild side of sex"

and appreciates me. What more can I ask? Oh, and a big dick of course."

We heard you're not into lesbian scenes. What's that about?

"When guys say that, I'm like, 'Hey are you gay?' and they're like 'No!' and I'm like 'Well there you go. I'm not gay either.'"

Where's your favourite place to get JIGGY WITH IT?

"At very nice houses or in public. Either very ritzy or very random and dirty. I don't like anything in between."

And what do you get up to when you're not doing the deed?

"I like to sleep, I like to bake and I like to listen to music. My favourite thing is to play soccer though. I don't have time to do that now, but if I do I'd like to play some more soccer."

Well you don't get an arse like that from SITTING ON IT all day. ■ Picture

A WOMAN walks into a bank in the middle of Sydney's CBD before going on holidays and asks for a $5,000 loan.

The loan officer asks, "OK, miss, is there anything you can use as collateral?"

The woman says, "Yes, my Rolls Royce."

The stunned bloke asks, "A $250,000 Rolls Royce? Are you sure?"

The woman says she's sure. She hands over the keys, and loan officer checks her credentials to make sure she is the owner. Everything checks out and he parks it in the bank's underground garage for two weeks.

When she comes back, she pays off the $5,000 loan as well as the $15.41 interest.

The loan officer says, "Miss, we're very appreciative of your business, but I have one question. We looked you up and found that you're a multi-millionaire. Why would you want to borrow $5,000?"

The woman replies, "Where else in the middle of Sydney can I park my car for two weeks for $15.41?"

A COLLEGE professor noticed that one of his students, Dave, was getting lots of female attention, so one day he asked Dave for his secret.

"It's simple," Dave replied. "Before sex I smack my cock hard against the bedside table, which makes it numb so I last longer and they think I'm stud."

Later that day the professor went home and found his wife in the shower, so he decided to try Dave's trick.

He quickly undressed and started banging his dick against the dresser.

Then he heard his wife calling from the shower, "Dave, is that you?"

"If you were on a date having dinner with a young lady, how would you tell her that you have to go to the dunny?"

One boy raised his hand and said, "Just a minute, I have to go pee."

"That would be too crude," replied the teacher.

Then a second boy raised his hand and said, "How about, 'I'm sorry, but I really need to go to the bathroom'?"

"That's better," said the teacher, "but it's still not very nice.

Then Little Johnny piped up. "Miss, how about 'May I please be excused for a moment? I have to go and shake hands with a very dear friend of mine, who I hope to introduce you to after dinner."

A BILLIONAIRE met a beggar on the street. The beggar pleaded with the rich bloke to give him a few dollars so he could buy something to eat.

"You poor fellow," said the moneybags. "Come with me and I'll buy you a drink."

"Actually, I don't drink," replied the beggar. "But I really would like something to eat."

"Here, my friend," the wealthy man urged. "Take one of my Cuban cigars."

"Thnaks for the offer," said the bum, "but I don't smoke either. I'm just hungry."

"Very well," said the wealthy bloke. "Then come to the casino with me and maybe you'll win enough money to get your life back on track."

"I don't gamble either, siad the down-and-outer. "I really just want something to eat."

"OK, I get it – you just want a good feed," said the rich man. "Come home with me and have dinner with my family."

"That's very kind of you, sir!" beamed the poor man. "Thank you!"

"Not at all," replied the wealthy bloke. "I want my wife to see what happens to a man who doesn't drink, smoke, or gamble."

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

SMOOTH OPERATOR

MUNGO, the farn carnts I work for give me the evil eye whenever I have a couple of beers at lunchtime. I don't see what the trouble is – my patients are always asleep, and it's not like I haven't done about a thousand of these fucken brain operations already.

M.D., ROCKDALE, NSW

MUNGO SAYS: Narrow-minded pricks! I do my best work after a couple of beers. If I were you, I'd sue them for workplace harassment.

HUBBY TROUBLE

HEY Mungo, about crap Oz TV – *House Husbands* is too unbelievable. It's about a bunch of guys allowed to sit on their arses at home while their wives and girlfriends go out to work. What women would be dumb enough to permit that? The best thing about being female is the right to watch Ellen and go shopping while you guys slave ya guts out earning a crust. That's how it's been for thousands of years and always should be. They should role debits at the end, not the credits.

C.M., LABRADOR, QLD

MUNGO SAYS: Can't say I watch it, but I have to say the concept of sitting around at home getting hammered on cask wine and watching daytime TV appeals to me. I don't see what housewives complain about. But you're right, no woman I know would stand for it. You all hate seeing us blokes kick back and enjoy ourselves.

GO OUT WITH A BANG

MUNGO, in issue #1431 you asked what we'd do in the run-up to the end of the world. I'd max out my credit card at the best knock-shop in town, shout all the girls champagne and caviar, and have them lick gourmet ice-cream off my nuts. Then I'd just hope the world blew up before the bill arrived from Amex.

J.K., MAROOCHYDORE, QLD

MUNGO SAYS: The way things are going with Trumpy and North Korea, you may have to put that plan into practise sooner than you think. Still, it all sounds beaut. Mind if I join you?

MUNGO WANTS TO KNOW...

If I can't make the gig, anyone else you'd like to see as the next Oz prime minister? As always, if your letter tickles my fancy and I use it, you get $50!

AIN'T LOVE GRANDE!

I ALWAYS get the horn when I see pictures of that little Seppo singer Ariana Grande, and I've often wondered what she looked like naked. When I saw your Beat Bum girl Cynthia in issue #1431 I thought it was her for a moment.

C.H., HAWTHORN, VIC

MUNGO SAYS: Yep, I can see the resemblance. And they're both cuter than a puppy in a pillow case. With any luck, when Ariana reads this – as she no doubt will – she'll see reason and get her gear off for us as well. She's 23 now, but she's probably got a couple of good years left before her pert little arse goes all to hell.

MUNGO IN CHARGE

HI MUNGO, It seems that with the current "revolving door" Prime Ministership we'll all be able to give it a go in the near future and then walk away with a massive pension. Malcolm seems a little shaky at the moment so it must be getting close to another change. I was just wondering if you have checked your calendar? I would hate there to be a clash between the two of us.

E.K., KIRWAN, QLD

MUNGO SAYS: I've got a few weeks to spare around the end of the footy season. I don't think my team will make the semis, so I could chuck my full weight behind making Australia great again, then pack it in once the cricket starts and collect the pension. How does that fit in with you? I don't mind sharing the Commonwealth car and chauffeur.

JUNIOR BURGER

He may be the size of an aircraft carrier, but John "Junior" Krahn is really just a big kid who wants to play footy. And crush the other team like bugs under his size 18 boots. At 2.13m and just a smidge under 200kg, the 19-year-old from southern California can do that really well. Normally a lineman – one of those big buggers whose job it is to squash the opposition defenders – when he was picked to play in the International Bowl between high school players from the US and Canada, they let him carry the ball on one play. He scored a touchdown 'cos no-one could stop the big unit. Junior was recently signed by Lincoln University, Missouri. "I figured out my size, and I know I can hurt people if I use it the wrong way," he says. "I'm a gentle giant off the field. But when I'm playing football, I'm the biggest asshole you know."

Talking Dirty WITH TRINITY

DRUNK FUCK

I'VE never had sex sober, Trin. I'm 23-years-old and most of my roots have been when I'm shitfaced with some random broad from the pub. And the rest are from Tinder and I'll have a few shots and beers before the chick comes round so I have my buzz on. Now I'm super nervous for the day I have to have sober sex – will it be harder for me to get it up? Or will I blow my load in seconds?

LEMON, ROMSEY, VIC

TRINITY SAYS: ***Dude, who fucking knows. It could go either way, but one thing's for sure – half your issue is in your head. You've got both ya balls and it seems to work every other time, so stop ya blathering and just be glad you're getting any at all.***

"I LIKE GUYS IN BIKIE GEAR OR SCARY CLOWN COSTUMES"

TASTE TEST

I'VE got a question for you, Trin. Do pussy and dicks taste different depending on what race a person is? I've never fucked a Chinese chick, but I reckon they'd have deliciously tangy pussies.

BRIAN, TALLONG, NSW

TRINITY SAYS: ***Haha, yeah man, different races can definitely taste differently. Some more potent than others, but at the end of the day it all boils down to personal hygiene. If she's clean, she's sweet, if she's not, then look the fuck out!***

SEXT PEST!

HI TRIN, I've been seeing this chick that's really into sexting and she always sends me messages like 'OMG can't wait to hav ur cock inside me' and stuff like that. I'm so confused to what to reply with and always say dumb shit. What's some good sexts I can send her? Do you do this sexting thing?

V.K., GOLD COAST, QLD

TRINITY SAYS: ***Less talk more action, mate - that's my motto!***

TRINITY'S SEX TIP

If you have fetishes, weird habits or fantasies, good on you, but remember not everyone sees them the same way you do. So don't bring them to work, out in public or anywhere that could potentially ruin your life – eg. lose your job, go to jail, or ruin a relationship. Always Make sure your environment is safe and sound before proceeding with your fetish. It's not worth the damage, OK!

While the odd dirty message can be fun, if ya can't walk the talk then ya words ain't shit. As long as your physical game is on point, I wouldn't stress about the texts. Just tell her to shut the fuck up before you shove your cock so far down her throat she chokes! And if she likes that, then tell her you'll fuck her mouth until your come squirts out her nose.

HYPNO-FUCK

THE missus and I recently went to one of them hypnotising shows and the bloke pulled her upstage and got her to pretend to have sex with a chair. And let me tell you, she fucken WENT FOR IT, like grinding and shouting and slapping the chair legs – I'd never seen anything like it and I've been married to her for four years. Trin, am I doing something wrong in the sack? And how the fuck do I learn hypnosis?

R.V., WHITEBRIDGE, NSW

TRINITY SAYS: Yeah, mate, obviously you're not giving it to her how she really wants it deep down. Perhaps she's been afraid to get all rough and crazy with you! Next time you fuck her, I say let her have it and get all freaky like she did to the chair. It's not about being a hypnotist, it's about allowing her to unleash. Go for it, mate!

ALL DRESSED UP

TRIN, recently I've been so obsessed with guys in track pants. Like, if I see a guy walking down the street wearing trackies, it makes me wet! I've even masturbated over pictures of guys in trackies in a Big W catalogue. What can a guy wear to make you cream yourself?

T.F., PENSHURST, NSW

TRINITY SAYS: I like guys in bikie gear or scary clown costumes. My pussy starts throbbing and I can come in seconds if the character is right.

CATCH OF THE DAY

WASSUP sexy, you need to give Stefano a call. Stefano makes very good money and all the chicks love him. Stefano is five foot eleven of pure Italian sex and is built for a life of luxury. You and Stefano would go very nicely together. So if you know what's good for you, honey, you'll pick up the phone and call Stefano. Stop making bad decisions and just do it. Stefano will be waiting… but not for long.

STEFANO, GOLD COAST, QLD

TRINITY SAYS: Stefano just made me spew in my own mouth with that letter. Stefano will be waiting a long time 'cos he's never gonna get a call. Stefano seems like a bit of a tosser so he should stop pulling his own dick before it falls off. Stefano needs a new approach.

YEAH, BABY!

I HAVE this fetish, Trin, in which I wear a giant baby diaper everywhere and like to suck on big bottles of milk and have women treat me like a tiny little baby. The other day the unthinkable happened. I was wearing my diaper under my suit and someone at work saw it poking out the top. I don't know what to do now – should I reveal my fetish to my co-worker and hope that she's into it? Or just let her come to her own assumptions? Also, can you let me suckle your boobs and give me gentle pats on the head?

BIG BABY BOB, VIA EMAIL

TRINITY SAYS: Definitely do not confront your co-worker. Let her assume whatever she wants. This is not the type of thing you want going round the office. In fact you should keep this at home. Kids aren't my thing hence why I don't have any or ever babysit, so not a chance of a suckle there, boo.

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

WHO:
Aussie surfer Ben Spiteri

WHERE:
Watu Kurang, East Java, Indonesia

WHAT:
He head-butted a reef!

OUCH FACTOR
89%
The reef butted back, apparently

SURFERS have their own unique lingo, so we'll translate Ben's story into English as we go.

"I paddled into a real wedgie right-hander. The end of that reef has a real good bowl section, so I kept my line high for enough speed to drop down and back-door the barrel section."

(Translation: "I caught a wave.")

"The lip of the wave landed on top of me and drove me down so fast I didn't even get a chance to take my hands off my board. I slammed into the reef face first."

(Translation: "I got the shit smashed out of me.")

Ben paddled in and some locals took him to a clinic to get patched up.

"It took about an hour for the doctor to pull all the bits of reef out of my face and do all the stitches. The gashes on the forehead went all the way to my skull and took 20, the gash on my nose went through my nostril and took two, and there were another three on the inside of my lip where my teeth went through."

Erm...that seems clear enough.

"I'm so thankful to everyone who assisted me, especially to the doctor who left his job at the hospital and drove for an hour just to put my stupid face back together. He did a sweet job."

Yeah, but ya still ugly. And GET UP, YA SURFER SOOK! ■ Picture

BUT WHAT'S HER FAVOURITE FLAVOUR?

"EATING PUSSY IS THE BEST!"

DESPITE sticking to an all-vagina dietary regime, Seppo porn poppet Jenna Sativa continues to conquer the world of filmic fucking.

See, strict VAGITERIANS are usually somewhat sidelined in the industry in favour of fucktresses with a more VARIED DIET, but this 24-year-old from Miami is just too puppy-dog cute to be ignored.

Jenna was also one of the first NON-SAUSAGE LOVERS to be signed by a major porn agency, and has been caning it in the lezzo categories of the big porn awards lately.

Not only that, she has made a splash in the world of fetishy bondage porn too. And all this with just her unfucked-with, C-cup titties to work with! Truly, this girl has MAJOR MOJO.

What's the best thing about your career of choice, Jen?

"Eating pussy, duh!"

Sorry. We should've known. What's your favourite possie for girl-girl sexing?

“MY CELEBRITY DREAM FUCK WOULD BE SCAR-JO”

"My favorite is the pretzel."

We dunno what that is, but it sounds like it goes great with beer. Any personal highlights from your film career so far?

"My first strap-on scene, in *Fuck The Police*. It was so intense, I even squirted. There's so much going on in that movie, you'll love it!"

Sounds like a great date flick. Being a lezzo role model, what would you say to young chicks who want to improve their GIRL SEXING EXPERIENCE?

"My advice for a woman that wants to be a better sexual partner would be to talk to her partner. Get to know what turns them on and off; their sexual fantasies, what feels good for them. Ask them, 'How do you like it when I do this?' and just listen to them. You need give in and indulge in their satisfaction."

That might even work for NON-LEZZOS! Do you have a dream celebrity fuck?

"Scarlett Johansson, without a doubt!"

SNAP! That's what WE would've said! Lastly, when you're home watching one of ScarJo's Avengers flicks and you get all hot and bothered and need to have a wank, how do you go about it?

"I'm pretty handsy, but sometimes I like to use toys. I'll use a vibrator and a dildo together sometimes to get a nice blended 'O'!"

We know she'll be thrilled to hear that, Jen. ■ Picture

SMO Opera

Lauren likes rooting chicks as much as we do!

LOCK up your missuses, fellas, 'cos Lauren is on the loose!

The 24-year-old FEM FUCK FIEND from West Oz admits she loves nothing more than stealing and fucking the girlfriends of blokes who rub her up the wrong way.

"So far I've converted three women into my wicked ways," cackles the devious brunette. "And all of them used to have boyfriends!"

Lauren, are you brainwashing these poor young women?

"Not at all. I'm giving them exactly what they want and obviously what their partners can't. But if I could brainwash them I definitely would!"

So what is it that you're giving them? Free chardonnay and Chiko rolls?

"I give them the best sexual experience of their lives! I can make a girl come over five times in one session. Because, unlike guys, we can come over and over again."

Have you always been part of the COMFY SHOE BRIGADE?

"I like to fuck guys occasionally, but it's not a common occurrence. I'd say that I'm actually bisexual. Although, come to think of it, I've only ever dated women."

How do your TACO EATING skills translate into the world of SAUSAGES?

"I'm good at giving guys head. I think it's easier. All you have to do is keep the guy hard and continue sucking. Chicks are more difficult because with one wrong lick you can throw everything out of rhythm and have to start all over again.

MORE MUFF-DIVING MAYHEM!

It also seems to be a much more of an emotional thing for women – they have to be in the right mindset."

Yeah, youse are a confusing bunch. Where do you meet your innocent, unsuspecting targets?

"Mostly at music festivals. There's always such a positive vibe at those things, and everyones out to have a good time. So it's quite easy to approach people and have a chat. Plus, most of them are on the happy pills, so that makes everyone a bit friendlier!"

Ever done the deed at one of these beaut festivals?

"No, but I've hooked up with loads of people – men and women – and ended up having sex with them later on. Never inside the festival grounds, though. I'll have to tick that one off my list soon!"

Be sure to let us know when you do, Lozza. ■ Picture

My Sly Fuck

HAPPY BIRTHDAY, BABY

SAMANTHA broke up with me three months before her 21st birthday, so I was surprised when she sent me an invite to the party. I knew she had a new bloke, an older guy, and it was at his place. I wasn't gunna go, but then I thought: free piss and a night out – what the hell!

When I got there I immediately noticed how hot Sam looked – and I got the impression from the way she kissed me hello that she was still keen.

Her new fella was all over the place making a fool of himself, and towards the end of the night me and Sam were in a corner chatting when she brushed her hand across my cock, which sprang to attention.

Then she gave me a wicked grin and whispered in my ear: "Let's go outside." We looked around and made sure no-one was looking and slipped out the back to where some trestle tables had been set up.

She pushed the cups and plates out of the way, plonked her arse down, opened her legs and beckoned me over. As I leaned in to kiss her she hooked her heels around my arse and pulled me in closer.

We pashed and dry-humped for a few minutes until we knew we had to do this thing. As I unzipped my jeans and flipped out my boner Sam wriggled her G-banger down until it was hanging off one ankle.

We could hear the party going on inside as I ploughed her tight pussy, which soon began to pour out enough juice to soak my balls.

Then, as I was about to blow and went to pull out, Sam locked her legs around me so I had no choice but to come inside her.

Then she gave me a cheeky wink and pulled her undies back up, and as she walked back inside I could see a little trickle of my spoof running down her thigh.

ROCKIN' AND ROOTIN'

THIS will date me, but I had a sly root at an Angels gig back in the 1980s. It was at a crowded rock pub where everyone was squashed up against each other.

I happened to be next to this absolutely knockout babe in a mini skirt and a sweat-soaked tank-top, which did nothing to hide her beaut set of bra-less jugs. She was having trouble seeing, so I made some space and motioned for her to move in. She gave me a thank you smile and plonked herself in front of me. Her tight arse was rubbing up against my cock and every time she jumped up and down she was practically wanking me off with her bum-cheeks.

Naturally I barred up, and I knew she could tell because she turned around, grinned at me and then gave me a slobbery kiss. We kept it up for half the gig, then I tapped her on the shoulder and made a "Drink?" motion and headed for the bar. She followed, and once we'd had a beer we could see there was no way we could get our spot back.

No worries. We found a dark corner at the back and started making out. She had my cock out and was stroking it while she rubbed her sweaty norks against my chest.

All of a sudden she lifted up her skirt, pulled her undies to one side and slipped my cock into her snatch.

People were walking past but they didn't even notice as she worked her pussy muscles like crazy until we both nearly keeled over as we came.

I was busting for a leak after that, so I went to the gents. When I came back I could just see the top of her head in the crowd near the stage, but there was absolutely no way I could get to her.

I never saw her again, but every time I hear an Angels song on the radio I crack a nostalgia chubby.

SCHOOL'S OUT

I WENT to a snooty all-girl school, and when I left I swore I didn't care if I ever saw any of the other girls again. But when it came time for our tenth year reunion lunch, I thought I may as well give it a go and see if there was anyone there I could connect with.

There wasn't. All they wanted to talk about was how much dough their husbands were making or the fucken big house they were building.

And when I asked if anyone wanted to step outside for a sly joint, they all looked at me like I was some sort of degenerate. Which I am, I suppose.

Eventually I went out the back of the function centre by myself and was firing up a hot one in the alley when the door opened and this cool-looking waiter came out and sprung me.

I must've looked horrified, 'cos he laughed and said, "Don't worry about it." So I smiled and passed him the joint and we toked up together.

I always get horny when I smoke, and this waiter, with his dark tan and long black curly hair, was looking mighty good.

You can guess what happened – I wrestled him behind some bins and shoved my tongue down his throat while I tried to untie his white apron and get at his goodies.

When I did I was pleasantly surprised. He had a fat, meaty cock, so I dropped my panties, lifted up my dress and had him shove it into me from behind while I leant over some crates of empty bottles. He fucked me good and deep and filled me with his spunk, then hurriedly apologised and said he was still on the job and had to bolt.

I followed him back inside and watched his cute arse disappear into the crowd, then necked a bottle of wine, told all the women at my table they were boring old cunts and left.

All in all, not a bad day out.

SAUSAGES

01. The word 'sausage' comes from the Latin word 'salsisium', which means salty. Our Aussie abbreviation 'snag' was originally a Pom word, which means 'a small morsel'.

02. There's a Sausage Academy in Neumarkt, Germany, where snag lovers can earn a certificate in all things sausage. You'll learn things like which beers, sauces and music best accompany the different types of snags.

03. The world's longest snag measures 59.14km, and was made by Pommy butcher J.J. Tranfield. The massive MEAT TREAT weighed 15.5 tonnes and would take 20 hours to walk end-to-end.

04. Japanese bloke Takeru Kobayashi holds the record for most sausages eaten in one sitting after he scoffed down 110 of the bastards in just 10 minutes. His Mum never invited him to dinner again.

05. In Ghana there's a tree known as the sausage tree, 'cos it grows long dangly fruits that look like snags. Although the locals call it 'nufatene' which means 'hanging breasts'. Dunno what norks they've been looking at.

06. The first sausage dates back to 3000 BC in ancient Iraq. Some clever fella decided to stuff meat scraps into an animal intestine and chuck it on the barbie.

07. Sausages were nicknamed 'bangers' during the Second World War due to their high water content and therefore their propensity to explode during cooking.

08. Back in olden times, sausages were stuck up chimneys after they were made in order to cure them.

09. Butcher Kevin Turner claims to have created the world's most expensive sausage. It costs $1200 a kilo and is made with Mangalitsa pork, truffles, Stilton cheese, cep mushrooms and splash of vintage 1947 port.

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.
